

RACE TO 500

(Dice Game)

Materials Needed: three dice, paper and pencils

Object of the game: try to create the biggest number and totaling your scores to 500 first.

Instructions:

1. Each player takes a turn to roll three dice. Add two dice together and then multiply by the third dice. You want to get the biggest number you can total. Record your total.
2. Every time your turn comes around, keep adding your totals together until you reach 500. (Try to use your mental math strategies for addition and multiplication.)
